Dear North Delta Family,

It is with much regret that I have to inform you that Mr. Tommy Gunn has resigned as headmaster of North Delta School. We are very thankful for his service and dedication to our school during his time as headmaster. We ask that our school family continue to keep Mr. Gunn and his family in our prayers as he continues to deal with his ongoing health issues.

Effective immediately, the board has appointed Steve McCord to serve as interim Headmaster. He will be at the school and actively managing the daily operations. Susan Lewis has also agreed to return to her position full time for the remainder of the school year. They are dedicated to making sure that your child continues to experience the best learning environment possible.

The board of directors has initiated a search for the best possible candidate to lead our school. In the meantime, I ask for your patience and understanding during this transition period. I can assure you that the board will find a Headmaster that will make our North Delta family proud.

Sincerely,

Stephen Sullivan

President, Board of Directors
