PLEASE JOIN OUR REMIND GROUPS

We have updated our Remind groups for the year. We have Remind groups for all classes, as well as all sports teams. ***PARENTS AND STUDENTS SHOULD JOIN ALL APPLICABLE REMIND GROUPS.*** This will be the main source of communication for these various groups. It is very important that everyone join.

We also need everyone to leave any groups that do not apply to you anymore. For example, all 9th grade parents and students should leave the middle school group and join the high school group since they are in 9th grade this year.

I am including instruction below of how to join and leave groups. I am listing all the codes for all of the NDS groups below the instructions.

HOW TO JOIN NDS REMIND
ALL PARENTS SHOULD JOIN ALL REMIND GROUPS THAT YOU CURRENTLY HAVE STUDENTS IN.
You can join a class or school to receive Remind messages via text, email, or push notification (or any combination of these).

1. **To get text notifications:**
   - **Join by text:**
     Participants text a unique class or school code to a Remind phone number. The Remind number is 81010. For example, if you wanted to join a class with the class code @math, you would text @math to 81010.
   - **Join online:**
     Visit remind.com/join and enter the class or school code along with your mobile phone number. You'll get text notifications at the number you entered.
2. **Get mobile app notifications.**
   Download the mobile app for iOS and Android devices and create a new account (or log in if you already have one.) To join a class, tap the + by Classes Joined and either join with your class code or search for your class. You'll automatically get app notifications.
3. **Get email notifications.**
   - **Join online:**
     Visit remind.com/join and enter the class or school code and your email address.
   - **Join from your inbox:**
     Send a blank email to code@mail.remind.com. (If the class code were @math, for example, you'd send a blank email to math@mail.remind.com.) You'll get a response with more instructions.
